

Shafer *Line on Wine*

1) You've seen Elvis, Hitler, Madonna, Marilyn Monroe and the band Kiss on wine labels. Who's the latest famous face on a bottle of wine?

Jesus Christ

(From an Israeli producer)

2) The Czech capitol city of Prague's Vinohrady district has included what feature since the 12th century?

Vineyards

(Today the urban vineyard is nearly 4 acres in size)

3) The two fastest growing wine markets in Africa are which two countries?

Nigeria and Angola

4) The world of wine drinkers use how many natural wine corks per year?

20 billion

5) Chinese sufferers of rheumatism report some relief by drinking a blend of wine and what?

Dried snake

(Available at local pharmacies)

6) One more reason to drink wine at mealtime. U.S. researchers announced that red wine defends the body against what?

E. coli and other intestinal pathogens that cause illness and ulcers

7) If it's October and you're in Neustadt, Germany, you may be fortunate enough to witness what regal ceremony?

The crowning of that year's national "wine queen"

8) A recent flight from Memphis to Chicago was diverted to Indianapolis when an unruly passenger did what?

Stole two bottles of wine from the refreshment cart

9) Forget soccer moms, in this election key voters are being identified by their drink of choice:

"Beer-track voters," who care about pocketbook issues, and "wine-track voters," who care about global matters
